DDA,

Alan Mauk has submitted the following contribution request:

Would the DDA consider a request for a contribution to the Arkansas Republican Party's Expansion Project?

This project will provide for additional space for the Party's activities in Little Rock and the State.

The majority members of both the House of Representatives and the State Senate are members of the Republican Party, as is the whole federal congressional delegation.

The expansion will be named for the Governor Asa Hutchinson.

The suggested contribution is for \$5,000.

Any questions please let me know.
