Tribal Spotlight

Cedar is a very important tree to the Quapaw Nation. It is used in various ceremonies such as a blessing for a new child, before memorial dinners; and to send our Quapaw people on their journey during a funeral.

Certain people within the Nation have the honor of providing the different blessings. The elders provide the knowledge and guidance to the family for whichever blessing is being asked of them to do.

When the casino was being developed, it was recommended that cedar trees be planted on the property to provide blessings to all who visit here. The pavilion is made from cedar trees emphasizing the importance that cedar has to the Quapaw Nation.
