# Tribal Spotlight

## Buffalo | Teh-toh-kah

This magnificent animal gave so much of himself to the Quapaw people. He gave us food to eat for survival. We also utilized many different parts of his body in every day life. His bones were used to create breast plates that the warriors used during warfare to protect the chest from arrows. The bones were also used to create dice for entertainment. His sinew was dried and used as sewing thread. The bladder was cleaned and used to carry water.

The hides were cleaned and used for clothing, drum making, hair ties, shields, footballs and many other things. It is no wonder that we honor him by putting him on our tribal seal. He gave so much of himself to us. So we say gun-e-gay to our big brother, the buffalo!
