Subject: Contributions

John, we are now in a new election cycle and I would like to see if the DDA would approve the following contributions:

- Request from Congressman Mullin to contribute \$5,000 to the NRCC. As you are aware, Congressman Mullin is the Congressman who represents the area.
- Senator James Lankford, \$2,500 for his primary election. Senator Lankford is on the Senate Indian Affairs Committee and has recognized the Quapaw Tribe for its Ag program during his opening statements in this session.
- Congressman Tom Cole, \$2,500 for his primary election. Tom has been named the vice ranking member of the Appropriations Committee.
- Congressman Lucas has been named Ranking Member of the House of Representatives, Science Committee. During the last session, Congressman Lucas was instrumental in securing many of the Native American provisions that Chairman Berrey, along with the Native American farm coalition worked on. I would suggest a contribution of \$2,500.
