Tribal Spotlight

INDIAN DICE

Throughout Downstream there are tribal designs incorporated into the building, artifact displays, artwork, and even photographs which help paint a picture of our history and culture. Around the poker room are paintings of a game we refer to as "Indian Dice".

Indian Dice is a game often played at Quapaw gatherings still today. The game consists of a thin wooden bowl about ten inches in diameter and 8 bone dice pieces. The dice pieces are cut and carved out of rib bones and consist of 6 round disk shaped pieces and two "animals" which are usually carved to represent things such as eagles, turtles, water birds, horse heads, buffalos or other significant designs to the owner. One side of each piece is painted and the other side is left the natural color. Each person will take turns shaking the bowl filled with bone dice pieces and will score points based on how each piece lands (how many pieces are color side up or down).

This game is a favorite past time of the Quapaw people and can even get very competitive. Often this game is played with bets using change or other items; tribal elders remember playing quick games to bet on chores, such as washing the dishes!

Cucumber Cabana STEAMER

COOL CLARIFYING FACIAL

Cooling Cucumber Cabana Facial
A creamy cleanser is followed by a refining, luxurious cucumber-infused streaming neck wrap to soothe and relax tense muscles. Next, skin is treated to a refreshing mist of aronia berry and rose water tonic to help diminish pores, while a cucumber and green tea exfoliation pull out impurities. Your silky soft skin will drink up hydration with a comforting avocado mask before an antioxidant packed serum and milk moisturizer smooth the look of fine lines.

Cucumber Body Treatment
This exfoliating treatment starts with a house-made, refreshing cucumber scrub. Incorporating cucumbers grown in the Downstream Green Houses, your back and feet will be buffed to soft perfection. Next, you'll experience a 50 minute Swedish style massage that will relax tired muscles, leaving your invigorated and renewed.

Nee
SPA

Cucumber Mani/Pedi
A crisp and refreshing cucumber-infused soak will prepare your skin for the ultimate exfoliation, using our own signature cucumber scrub. Next, your skin will get a deep drink of hydration with an avocado butter extract mask, revealing soft, smooth skin. Finally, a cooling cucumber massage for feet and legs will leave you feeling fresh and relaxed.

AUGUST 2018 SPECIAL

We're going extra green with the cooling refreshment of cucumbers! A variety of services with endless benefits to renew and revitalize your skin. Pick any one for \$99, any two for \$189 or all three for \$279!
