- **Narrative Description: (Attach Rules to this Form)**

- The game will be played with a giant deck of cards (52 cards total).
- All Aces in the deck will be the highest possible card. All 2s in the deck will be the lowest possible card.
- Each player will be given \$50 in fake money to begin their game.
- The minimum bet will be \$25 for every card other than the last card of the game.
- On the last card of the game, the player must bet at least half of the money that they have remaining.
- The player will be placing their bets on whether the next face down card in line is higher or lower than their face up card.
- If the guest's money falls below \$25 at any time, the game is over and the guest receives the \$500 cash consolation prize. If the guest makes it to the end of the game, and they have below \$500 left in money, the player will receive the \$500 cash consolation prize. If the guest makes it to the end of the game and the money they have left exceeds \$500, the player will receive the amount of fake money in real cash.
- The player's bet cannot exceed the total amount of money they have.
- There will be three (3) rows of Flop cards (first and second row has three (3) Flop cards and the third row has one (1) Flop card) placed face down on the game board. There will be three (3) Swap cards face down next to the Flop cards.
- If the guest reaches the second row of cards, the final Flop card on the first row will then move to be the face up card on the second row. Downstream Casino Resort will give the guest an additional \$50 in fake money.
- Row two (2) will be played exactly the way row one (1) was played, however, when the last Flop card in row two becomes the first card in row three, no additional money will be given.

- All players that participated in the previous daily drawings will participate in the weekly Grand Prize drawings.
- \$5,000 weekly Grand Prize drawings are on Sunday, January 3, 10, 17, 24, 31, 2016.
- One (1) card will have "\$5,000" on it. The other six (6) cards will be blank.
- If one (1) of the seven (7) finalists does not show up to participate for the Grand Prize drawing, the Marketing representative will remove a non-winning card from the seven (7) finalist cards until there is only one (1) card for each finalist that showed up.

Lover's Leap

The bar located near the front desk at Downstream Casino Resort holds a name related to Quapaw legends. Come have a "splash"! The story behind the name as told by the elders...

There is a rock formation located on the banks of Spring River that is called Lover's Leap. The legend states that there was a young man from one tribe and a young woman from another tribe who fell in love. Their tribes did not approve; so they jumped from this formation into Spring River, never to be heard from again. Legend says that at a certain time of night, if you are brave, you can stand on the bridge and hear the "splash" of them entering into Spring River.
